The Mini GVC contest is open for approximately 10 weeks. Teacher guided K-12 classes and youth groups around the world that have access to the Internet and know or are willing to learn Google Sites are eligible. Groups are assigned by GVC, and may consist of anywhere from 2-4 schools.

Features of MINI-GVC

- Perfect for schools with time constraints; choose a convenient time period.
- Improve and acquire collaborative communication skills.
- Understand and appreciate cultural differences.

Tools Used by All

- Edmodo for communication within teams. Students do not need an email address.
- Google Sites for publishing final work. The GVC will provide you with specific links for your team.

Awards

Schools who complete their work in the time provided can receive a Gold Star, Silver Star, or Bronze Star Award, emailed as printable certificates. Multiple teams may receive the same award.
